William Gillette and his company gave their last performance of "Secret Service" at the Adelphi Theatre to-night, previous to sailing on the Paris for New York Saturday. The house was crowded to the doors to see the last of the company that has made the greatest success in the annals of the American drama in London.

The audience included the entire cast which will give the play in French at the Renalssance Theatre in Paris. Gillette was called before the curtain after the last not and delivered a short address such as is the privilege of these
